

Thank you for choosing to participate in the UIL Solo and Ensemble Contest! We look forward to seeing you perform! Here are a few things you should know about this contest.

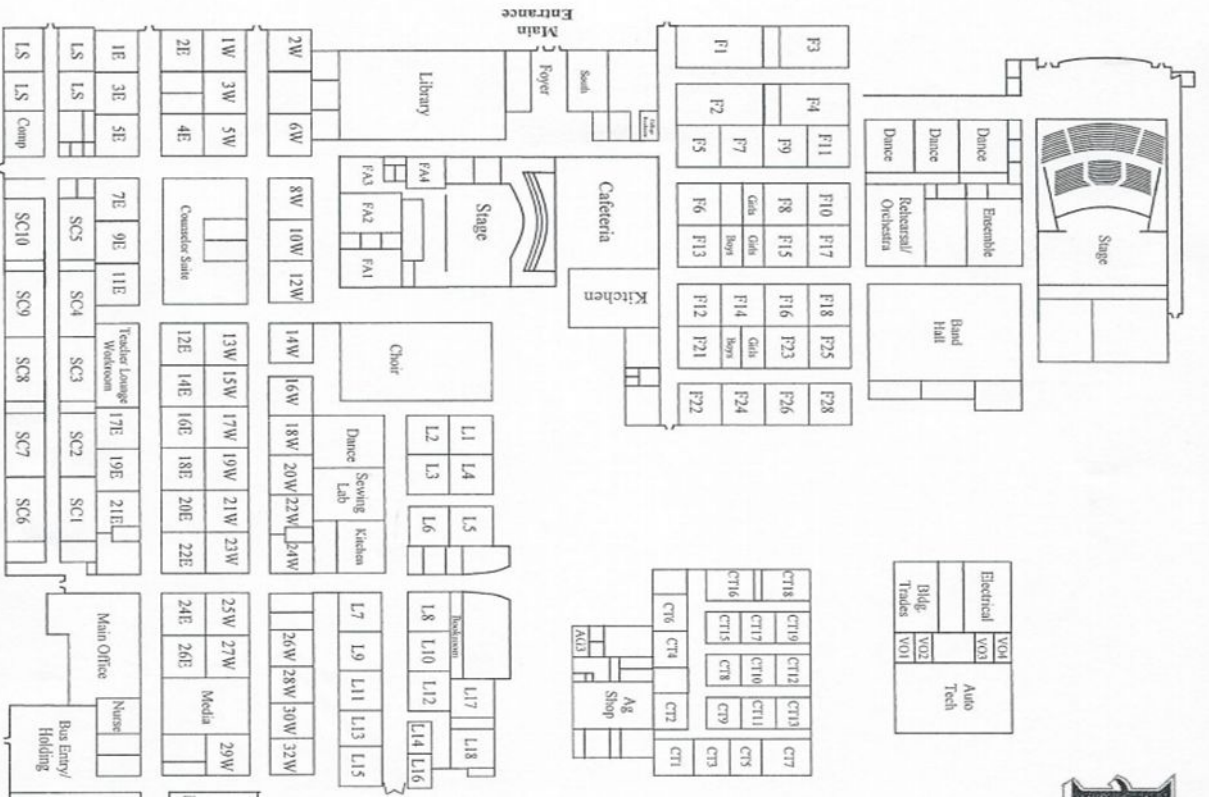

We will be having rehearsals with Dr. Kim the week before your performance. **Please bring her \$10.00** to cover her time on Saturday. You will not be reimbursed if you do not show up on Saturday.

Warm up before you come to the school!! There will not be a formal warm up with a director or pianist. Check in with a director when you arrive, and look for signs to your assigned room. Please **arrive 30 minutes before your assigned time**. Your time is listed on the bottom of this sheet. Please be prepared to sing early! Sometimes rooms will run fast and the judge will be ready for you before your time. At the same time, be prepared to sing after your assigned time. Sometimes things happen and the rooms run slow, so just be prepared to be flexible. **Dress in your "Sunday best"**. We are not looking for prom attire, but dressing nice will be a positive first impression. Guys, pants and a jacket will be great. Girls have the dress, dress pants or skirt options. Please plan for the weather that day. After your performance, you are free to leave. Scores will be sent out by a director at the end of the day.

Again, thank you for representing our school and district at this Region-wide event! We wish all of you good luck!
